## Colorado Thespian Theatre Etiquette

- Being a great audience member requires respect—respect for the artist/presenter, your teacher, your fellow classmates, other patrons
- The success of a presentation or performance depends in part on the audience members...YOU!
- When you help create a supportive and focused atmosphere, you help create the best experience possible for everyone involved.
- One of the most basic elements of being a great audience member and one of the most important skills any one can learn is listening.
- Remember, everything you do and say has an effect on a live performance. When you are watching a live presentation or performance, the people on stage can hear and see you.
- Please avoid activities that will distract from the presentation or performance. Help those on stage give the presentation or performance that you deserve by not talking, eating or drinking during the presentation.
- Please turn off all cell phones. It is rude to send text messages or talk on your cell phone during a performance. Do not take pictures during a performance.
- If you enjoyed yourself, please feel free to applaud at the end of the presentation or performance to show your appreciation, unless otherwise requested by the artists.
- Keep in mind, each live presentation or performance is an entirely unique experience. What you are participating in will never occur the same way twice.
- The overture is part of the performance. Please cease talking at this point.
- Note to lovebirds: When you lean your heads together, you block the view of the person behind you. Leaning forward also blocks the
- Please leave the singing and humming to those on stage.
- Force yourself to wait for a pause or intermission before rifling through a purse, backpack, or shopping bag.
- Audience response to a romantic gesture on stage is rarely appreciated by the actors or others around you.

Twitter: #CITS12

- Remember the old standby: Do unto others as you would have them do unto you.
- It is considered rude to leave during a performance. A good thespian stays through an entire performance. Do not exit during the intermission.
